EXPERIENCE

NEST Public School, Ramanattukara

June 2024 - Aug 2024

IT Coordinator

Served as an IT Instructor at Nest Public School (Aff. No: 931345) where I develop and deliver a comprehensive IT curriculum. Additionally, I hold the role of Media Head and manage the school's social media accounts, enhancing our online presence and engagement.

EXTRACURRICULAR

TinkerHub FC

May 2021 - Apr 2022

Co-Founder

- Served as the Campus Community Tech Lead for TinkerHub at Farook College, spearheading various learning initiatives and events to foster a vibrant tech community on campus.
- Organized and coordinated a diverse range of learning activities, workshops, and tech-related events, promoting innovation and collaboration among students.
- Successfully created a dynamic peer-to-peer learning culture within the art and science college, encouraging students to share knowledge, ideas, and expertise in technology and related fields.

National Service Scheme

Jun 2019 - Mar 2021

Volunteer

- Actively participated in the National Service Scheme (NSS), a voluntary public service program aimed at promoting community service, social responsibility, and national integration.
 - Contributed to impactful initiatives, including cleanliness drives, blood donation camps, and awareness campaigns on health and hygiene, making a positive impact on the well-being of the community.
 - Cultivated leadership and organizational skills by coordinating events, managing teams, and effectively making decisions within the NSS framework.
 - Demonstrated a strong commitment to the NSS motto "Not Me, But You," engaging in various community development activities with a focus on selfless service and empathy towards others.
